Book File Details:

Review: Dark Angel: Skin Game is the second book of the Max Collins trilogy of books that expand upon Dark Angel universe. It continues where the series left off and does (in my opinion) a good job. You can read the publishers blurb to get more of the specifics. I just want to say that if you enjoyed the series you will probably enjoy this book to some degree....

Description: The saga of Dark Angel continues!Someone is killing normal humans in the fog-enshrouded city of Seattle. The murders are brutal and grisly, but inside Terminal City they barely cause a ripple of concern. The transgenics who live there have problems of their own. In an area under siege by the oppressive arm of the police, the transgenics must protect...
